

Fall 2018 Volunteer Training

Classes fill early - call for an interview soon!

*"There is only one happiness in this life,
to love and be loved."*

~ George Sand

We are now interviewing applicants for Patient Care and Grief Support Volunteer Training. You will learn about hospice philosophy, family dynamics, communication and listening as you prepare to support our hospice patients, families and grief clients. Become part of a compassionate team providing caregiving and grief support services in homes and facilities throughout Sonoma and West Marin Counties.
